

Dr. med. dent. Regina Alessandri Bieri
Publikationen

1. *Alessandri Bieri R., Adriaens L., Spoerri S., Persson G. R.*
Gingival fluid cytokine expression and subgingival bacterial counts during pregnancy and post-partum. A case series.
Clinical Oral Investigations, Online-Publikation 17. Januar 2012
2. *Hofmänner P., Alessandri R., Laugisch O., Aroca S., Sculean A.*
Predictability of surgical techniques used for coverage of multiple adjacent gingival recessions. A systematic review.
Quintessence International, July/August 2012; 545–554
3. *Sculean A., Alessandri R., Miron R., Salvi G. E., Bosshardt D. D.*
Enamel Matrix Proteins and Periodontal Wound Healing and Regeneration.
Clinical Advances in Periodontics Aug. 2011, Vol. 1, No. 2, 101–117
4. *Alessandri R., Sculean A.*
Behandlung einer Miller-Klasse-II-Rezession nach kieferorthopädischer Therapie mit der modifizierten Tunnel-Technik.
Informationen aus Orthodontie und Kieferorthopädie 2011; 43: 1–6
5. *Stadelmann P., Alessandri R., Eick S., Salvi G. E., Surbek D., Sculean A.*
The potential association between gingival crevicular fluid inflammatory mediators and adverse pregnancy outcomes: a systematic review.
Clinical Oral Investigations; DOI 10.1007/s00784-013-0952.0
6. *Adriaens L., Alessandri R., Spoerri S., Persson G. R.*
Does pregnancy have an impact on the subgingival microbiota?
J Periodontol. 2009 Jan; 80(1): 72–81
